

## CHILDREN'S SUBSTANCE ABUSE TREATMENT SERVICES

**All clients receive an initial intake assessment and must submit a specimen for urinalysis testing at a cost of \$125.00 and \$40.00\* respectively.** After the assessment and lab report is received, treatment recommendations for intervention or treatment are made. Successful completion of treatment is only considered after at least two consecutive negative drug screens (must be at least 30 days apart) and meet discharge criteria set by the American Society of Addiction Medicine Patient Placement Criteria.
